## Terms of Sale

Orders from unknown correspondents must be accompanied by cash or satisfactory references.

Accounts are rendered on the first of each month, and are subject to sight draft on the twelfth, if remittance does not reach us by that time, unless otherwise agreed upon.

We will not substitute unless privileged to do so by purchaser. Customers will save time to give second choice of any variety should we be out of their first choice.

Not less than five plants at the hundred rate, and when quoted at hundred and ten rates, not less than twenty-five and three respectively. Quantities less than five or three will be charged at an advance.

Customers are requested to state mode of conveyance by which they desire their plants forwarded. The Dominion, Canadian and American Express Companies, and the G.T.R., C. P. R. and T. H. & B. Railway, connecting with M. C. R., all operate from Hamilton.

## Hardy Hybrid Tea Roses

This class of Rose blooms constantly from early summer until late fall. The variety offered will be found to give unusual satisfaction, as they are all strong growing, free blooming, beautiful sorts. They are not quite as hardy as the Hybrid Perpetuals, requiring protection during the winter, but their constant blooming qualities will repay the little extra care required to protect them.
